8. CODES OF BEHAVIOR

8.1 Australian Sports Commission Codes

- 8.1.1 The Australian Sports Commission (ASC) has produced the following 'Codes of Behaviour', which have been adopted not only by football, but also by most sports in Australia. These codes are deemed to be incorporated into these Rules and are outlined below. There are also FFA and CF policies in place that must be abided by.

8.2 General

- 8.2.1 It is vital that everyone involved in sporting activities, whether they are athletes, coaches, parents, officials or supporters, understand their responsibilities to ensure that all participants enjoy the sport.
- 8.2.2 It is strongly recommended that all players, parents, officials, coaches and members be given a copy of these codes by their Club, and that each Club ensures the codes are clearly displayed in their Clubrooms.
- 8.2.3 As well as reading and seeking to understand the instructions contained in the codes, CF asks all participants to recognise that there are underlying principles which extend beyond those specific instructions. No one must engage in violent acts, verbal abuse, offensive language or behaviour, or acts likely to incite others, including spectators, to engage in such behaviour, or any other conduct that is detrimental to the spirit or image of the game.

8.3 Players' Code of Conduct

Play by the Rules and in the spirit of fair play and abide by the Laws of the Game.

Do not argue abuse or address the Match Official.

Control your temper. Verbal abuse of officials or other players, deliberately distracting or provoking another person is not acceptable or permitted in any sport.

Maintain your focus and work hard for yourself and your team.

Be a good sport and be prepared to acknowledge good play whether it is from your team or the opposition.

Treat all players as you would like to be treated. Do not interfere with, bully or take unfair advantage of another player.

Cooperate with your coach, teammates and opponents. Without them, there would be no competition.

Play for your own enjoyment, and not just to please parents and coaches.

Remove all jewellery prior to training and match play, as it is a hazard to you and those around you.

Do not accept or use any banned or unauthorised drug(s), including the consumption of alcohol at any time.

8.4 **Coaches' Code of Behaviour**

Be reasonable in your demands on younger players' time, energy and enthusiasm.

Teach your players to abide by the rules and Laws of the Game.

Do not argue abuse or address the Match Official.

Ensure that equipment and facilities meet a reasonable safety standard and are appropriate to the age and ability of the players.

Develop and enhance respect between players, opposition coaches and the decisions of the Match Official.

Follow the advice of a physician when determining the extent of a player's injury and beyond that, when players are returning from injury to training and match play.

Keep up to date with the latest coaching practices (refer to Coach Accreditation Criteria).

Remind all players to play within the spirit of the game at all times.

Ensure players are good sports and ensure each team member shakes the hand of their opponents at the conclusion of every match.

Do not smoke or consume alcohol from the team bench (Technical Area) or sideline.

Remember the actions of yourself and your team is reflective of the perception others take away with them.

8.5 **Administrators' Code of Behaviour**

Help coaches and officials highlight appropriate behaviour and skill development, and assist in raising the standards of coaching and officiating

Ensure everyone involved in football emphasises fair play, and not winning at all costs

Be tolerant and calm under pressure and approach problem solving in a supportive manner as members and players will expect you to set an example for others

Make every effort to educate persons who breach these guidelines from time to time

8.6 Match Officials' Code of Behaviour

The Match Official's code of behaviour is detailed in the CF Referee's Handbook.

8.7 Spectators' Code of Behaviour

It is important that all spectators at a CF approved fixture are able to enjoy the match in a safe and comfortable environment. Accordingly, each person present at a CF fixture must:

Respect the decisions of the Match Officials

Respect the rights, dignity and worth of every person regardless of their race, colour, religion, language, and political views, national or ethnic origin.

Not engage in the use of violence in any form, whether it is by other spectators, team officials (including coaches) or players

Not engage in discrimination, harassment or abuse in any form whether lawful or otherwise, including but not limited to the use of obscene or offensive language or gestures, the incitement of hatred or violence or partaking in indecent or racist chanting;

Comply with CF's 'Conditions of Entry', at all venues, and any ticketing conditions.

Not carry, light or throw flares or missiles (including on to the field of play or at other spectators)

Not enter the field of play or its surrounds without lawful authority

Conduct themselves in a manner that enhances, rather than injures, the reputation and goodwill of CF, Football Federation Australia (FFA), and football generally.

Any person who does not comply with this Code or who in the opinion of CF causes or attempts to cause or is reasonably likely to cause a disturbance **may be evicted from the venue and banned from attending future matches held on behalf of CF, for a period of up to 2 years from when the eviction occurred.** Any offender who then breaches the ban order against them may be charged with trespass and subject to further penalties and sanctions, including the possibility of further legal action.

Where CF receives a complaint from a member of CF or a Club (no later than 72 hours following the match) concerning the conduct of a registered member with CF and such conduct was not subject of a report to CF by the Match Official the MLM may call on the member to answer a charge that the conduct complained of constitutes conduct contrary to the policy or prejudicial interests, welfare or image of CF or the game.

SCHEDULE 1 FEES AND FINES

Unless otherwise specified in these Rules, CF may impose a fine for misconduct for such amount as it sees fit.
