

## **GUFC BILLET FAMILIES REQUIRED**

**Saturday 6 July to Saturday 13 July 2019**

Dear Gungahlin United families,

The McDonald's Kanga Cup is a celebration of football, culture, and friendship for youth of the world. The tournament is proudly recognised for its International team participation, and for a number of years now, Gungahlin United FC has billeted teams from Korea.

Once again it will be our pleasure to provide home-stay accommodation support for the **U18 Girls Dongbu High School** team (up to 21 girls) from the city of Daegu.

Past GUFC families have willingly opened their homes, provided meals and support, and graciously emersed the young Koreans into the Australian way of life. In return, the host families got to enjoy and experience the social customs of Korean youth. These exchanges are a great opportunity for the Club to form an ongoing cultural and technical football exchange with a fellow Asian Football Conference AFC member. If you have the opportunity to be a host family this year, I highly recommend this home-stay program.

If you cannot host for the entire KC week but are willing to help part-host please also contact me. Host families do not need to be available during the day to supervise, as we arrange for all players to be dropped off in the morning (Harrison Clubhouse) and picked up in the afternoon/evening (Harrison Clubhouse) after matches have finished.

Any questions please don't hesitate to contact me.

Regards,

Brad Doohan
