

PLAYER POINTS SYSTEM | 2020

Capital Football – NPL Men’s Player Points System

- The Capital Football NPL Player Points System applies to the NPL1 Men’s and NPL2 Men’s competitions.
- The PPS distinguishes between two distinct types of NPL Club teams: those upon which an age restriction is placed (e.g. U16’s, U18’s, U23’s) (**NPL Club Age-Eligible Team**) and the NPL Club’s senior team, being the First Team.
- The PPS points cap (**Points Cap**) applies to each NPL Club’s First Team Player Roster (**First Team Player Roster**) and this First Team is required to remain within the Points Cap at all times. A breach of the PPS during the season, either via fielding an ineligible player, falling below the minimum player roster, or upgrading players that result in “1st team” players in excess of the maximum, will result in a forfeit against the offending team.
- The maximum Points Cap is as follows for each competition:
 - NPL1 Men’s – 200 points;
 - NPL2 Men’s – no specific points cap (in Capital Football competition only);
 - FFA administered and operated competitions (such as FFA Cup and NPL Finals Series) – 200 points.
- Each Player is, as a starting point, attributed a points value of 10 points, after which his points value is adjusted depending on certain characteristics which result in points being added to or deducted from the Player’s points value. A Player’s points value cannot be less than 0 points.
- Promoting Players from the NPL Club’s Age-Eligible Teams onto the First Team Player Roster is permitted in limited circumstances as outlined further in the Explanatory Notes and Guidelines under First Team Player Roster Requirements.
- The following table details the points adjustment depending on the Player’s history:

Explanatory Notes

NPL Club First Team Player Roster Requirements

- At all times during an NPL season, an NPL Club must include a minimum of 20 Players on its First Team Player Roster and may include a maximum of 23 Players on its First Team Player Roster.
- An NPL Club may promote a Player from its NPL Age-Eligible Teams to play for its First Team up to a maximum of forty percent (40%) of Matches throughout an NPL season without being required to include such Player on the First Team Player Roster. In order for such Player to be eligible to play in more than forty percent (40%) of the Matches in the NPL season, the Player must be included on the NPL Club's First Team Player Roster.
- Forty percent (40%) of Matches equates to the following:
 - NPL1 Men's – 9 Matches
 - NPL2 Men's – 8 Matches

- For the purposes of the PPS, playing in a Match is defined as taking the field of play (i.e. in the starting 11 or entering the field as a substitute). For the avoidance of doubt, it will not constitute playing a match if the Player remains on the bench and does not enter the field of play.
- All Players must be registered to the appropriate age-category (where applicable). Any Player who during the 2020 NPL Season exceeds the age-limit for the oldest NPL Age-Eligible Team at an NPL Club (e.g. U23), must be included on his NPL Club's First Team Player Roster.

Youth Player

- Please refer to the table below in respect to the relevant point deductions in the Youth Player category:

Players Age as at 31 December in current NPL season	Points Deduction
22 years old (1998)	-1
21 years old (1999)	-2
20 years old (2000)	-3
19 years old (2001)	-4
18 years old (2002)	-5

Australian Player

- An Australian Player is any Player who is:
 - a citizen of Australia;
 - a Permanent Resident of Australia (where Permanent Resident means a person residing in Australia on a “permanent” visa class issued by the Australian Government, evidenced by either the person’s Visa Grant Notice or as a listed entitlement on the person’s online Visa Entitlement Verification); or
 - the holder of a refugee visa, humanitarian visa or protection visa issued by the Australian government. For further details see: <https://www.homeaffairs.gov.au/>.

Visa Player

- Member Federations and NPL Clubs are encouraged to refer to the following website for further clarification regarding visas: <https://www.homeaffairs.gov.au/>.
- For the purposes of the PPS, a New Zealand Citizen is classified as a Visa Player unless he satisfies the definition of an Australian Player. Please refer to the Department of Home Affairs for further clarification regarding the visa status of New Zealand Citizens in Australia: <https://www.homeaffairs.gov.au/>.
- Any Player participating in the NPL with a Hyundai A-League Club who has been permitted to play in the Foxtel Y-League as an “FYL Australian Player” will, for the purposes of the PPS, be deemed an Australian Player.

Homegrown Player

- A Player does not need to register in continuous seasons in an NPL Club's Age-Eligible Teams to be eligible for Homegrown Player points.
Example: For a Player who was registered for the NPL Club in the U14's and U16's but was not registered with the NPL Club in the U18's to U20's, a total of two (2) points will be deducted from his points value for the current season.
- A Player is eligible for Homegrown Player points at the same time as being eligible for Loyalty Player points.
- For the avoidance of doubt, a Player is eligible to receive a points deduction as a Homegrown Player where that Player was registered to the NPL Club's Age Eligible Teams, prior to that NPL Club being granted an NPL licence.
Example: Prior to Club A being granted a licence to participate in the NPL, John Smith is registered to the age- eligible teams of Club A between 2010 and 2013 in the state league competition. On that basis, a total of four (4) points will be deducted from his points value for the current season.

Loyalty Player

- Example: A Player is registered with an NPL Club's First Team in 2016, 2017, 2018 and 2019 (continuous seasons). If also registered in 2020, he will be eligible to receive his first point reduction of one (1) point as a Loyalty Player in the 2020 season.
- If a Player is not registered with any Club for a season and subsequently returns to his last NPL Club, the number of continuous seasons of registering for that NPL Club will be deemed to be continuous.
Example: A Player was registered with the same NPL Club in 2016, 2017 and 2018 (continuous seasons), however was not registered with any Club in 2019. If the Player registers with that NPL Club in 2020, it will be deemed to be his fourth continuous season with that NPL Club.
 - Should a Player move into a National Elite Pathway Team, the determination of the continuous seasons of service will not be deemed to have ceased if he returns to his previous NPL Club. During the Player's time in the National Elite Pathway Team, the calculation of continuous seasons of service will be suspended.
Example: Player John Smith of NPL Club A has been part of the First Team squad for three (3) continuous seasons. He then moves to a Hyundai A-League Club for two (2) years and then at the completion of his stint with that Hyundai A-League Club, he returns to NPL Club A. This season with NPL Club A will be deemed his fourth continuous season.

Switching Player

- In the event that a Player is a Switching Player, he can only be classified in one (1) category (e.g. a Player cannot incur Switching Player points in two (2) different categories).
- For the purposes of Switching Player points, played means taking the field of play (i.e. part of the starting eleven or taking the field as a substitute).
- Where a Player was registered with an NPL Club (**Former NPL Club**) and subsequently registers with a Club that does not participate in the NPL, A-League or FYL (**non-NPL Club**); and having not played for the non-NPL Club in a competitive Match seeks to register with a subsequent NPL Club (**Subsequent NPL Club**); CF or FFA may attribute Switching Player Points for that Player upon registration with the Subsequent NPL Club as if the Player had transferred directly from the Former NPL Club to the Subsequent NPL Club.

- The Subsequent NPL Club may apply to FFA or the Member Federation (whichever is applicable) to justify the reasons as to why Switching Player points should not apply.
- CF has the right to determine in its sole and absolute discretion as to whether Switching Player points will apply where CF is the Competition Administrator.
- FFA has the right to determine in its sole and absolute discretion as to whether Switching Player points will apply in the event that the NPL Club qualifies for the national NPL Finals Series.
- Switching Player points also apply for mid-season registrations and transfers, including a Player promoted from an NPL Club's Age-Eligible Team.
- Where a Player is promoted from an NPL Club's Age-Eligible Team (or equivalent) to an NPL Club's First Team Player Roster during the season, Switching Player Points will be applied where the Player's registration immediately prior (e.g. earlier in the 2020 season) or in the previous NPL season was with another NPL Club.

Pathway Player

- A Pathway Player is subject to all other categories of the PPS (other than the Switching Player category). For example, a Pathway Player is eligible for Loyalty Player points and Homegrown Player points.
- A Player who departs an NPL Club for a National Elite Pathway Team and returns to the same NPL Club will be classified as a Pathway Player provided the Player has remained within the National Elite Pathway for the duration of their absence from the relevant NPL Club.

Example A: Player history of John Smith - Eligible Pathway Player

- 2017 - Registered with United FC (NPL Club)
- 2018 - Registered with Perth Glory (FYL)
- 2019 - Registered with Brisbane Roar (A-League)
- 2020 - Registered with United FC (NPL Club)

Example B: Player history of Mark Jones - Ineligible Pathway Player

- 2017 - Registered with United FC (NPL Club)
- 2018 - Registered with Perth Glory (FYL)
- 2019 - Registered with Thailand FC (Overseas)
- 2020 - Registered with United FC (NPL Club)

Australian Marquee Player

- An Australian Marquee Player is subject to all other categories of the PPS (e.g. Homegrown Player) but will not be subject to the Switching Player category:

(a) Subject to paragraph (b) below, a Player may only be categorised as an Australian Marquee Player in his first season with the NPL Club and for one (1) season only in his career for that NPL Club. For the avoidance of doubt, a Player is not able to be an Australian Marquee Player in his second season in the NPL with that NPL Club.

(b) Notwithstanding paragraph (a) immediately above, if a Player is categorised as an Australian Marquee Player for an NPL Club, he then transfers as a professional to a Hyundai A-League Club or overseas Club and then subsequently returns to the NPL and seeks to register for an NPL Club (either the same or different NPL Club), he is eligible to be categorised as an Australian Marquee.

Youth Player Advancement

Example: An NPL Club has a U14 team Player signed this season by a National Elite Pathway Team. The NPL Club can choose to have:

- three (3) points deducted (-3 points) from this season's Points Total; or
- three (3) points deducted (-3 points) from next season's Points Total.

First Team Player Advancement

Example: An NPL Club has a First Team Player signed this season by a National Elite Pathway Team. The NPL Club can choose to have:

- eight points deducted (-8 points) from this season's Points Total; or
- eight (8) points deducted from next season's Points Total.

Promoted Club

- This category applies to Clubs promoted into the NPL or an entity granted a licence to participate in the NPL for the first time. This points deduction only applies for the Promoted Club's first season following promotion into, or being granted a licence to participate in, the NPL.
