EXPRESSION OF INTEREST

POSITION DESCRIPTION

NAME: Canberra United Academy (CUA) Performance Analyst Intern

DEPARTMENT: Performance

ATTITUDE AND BEHAVIOURS:

As your role within Capital Football and Canberra United includes operating as a team, you are expected to work as a team member, show appropriate behaviours and respect to all our employees and stakeholders, and work with a spirit of co-operation.

An understanding of football (soccer) would be advantageous.

PRIMARY OBJECTIVE:

The CUA Performance Analyst Intern role is a part time position to provide key data to CUA coaching staff in order to monitor player performance and wellbeing. GPS collection is for a maximum of 24 players.

SPECIFIC ACCOUNTABILITIES

- Use GPS technology to collect data (PlayerTek Plus). It is a requirement to be present at training sessions and games to collect the data.
- Use platforms to collate data
- Collect wellbeing data on CUA players.
- Provide weekly reports to CUA coaches. These reports should include game summary, ACWR summary and wellbeing summary.
- Game reports must be provided before the next training session.

OTHER REQUIREMENTS:

- Must have own transport
- Must have own windows laptop or access to one (GPS platforms are not compatible with Apple/Mac products)
- Must have a current WWVP Card.

PLACEMENT INFORMATION

This volunteer internship is for a set period of time starting in March and ending at the conclusion of the local NPLW season (September). Exact dates to be determined.

This internship is best suited to two or three students, or interested persons, to share the role. We are open to one student/person committing to the full season, however, this must be a full season commitment.

Other opportunities may arise and be offered to candidates who show initiative, exceptional work ethic, and can report information accurately, in a timely manner and in a multitude of ways (i.e tables, graphs, charts).

As this is a volunteer position, there is no remuneration available, but written references can be supplied on request.

SEASON DETAILS:

For the players requiring GPS analysis, there are typically 3 training sessions per week.

These sessions are:

- Tuesday 6-8:30pm
- Thursday 6-8:30pm
- Friday 6:30am-7:30am

During the season, there are 18 rounds which incorporates two byes. Attendance at games is required for data collection. Regular competition matches are mostly on Sunday afternoons.

There are also a select number of mid-week games, typically on a Wednesday night, for Federation Cup and trial matches in addition to regular competition matches.
