# CAPITAL FOOTBALL STAFF TO WORK REMOTELY

23/03/2020

Following a trial today to test the systems put in place to assist our business continuity, Capital Football will now transition to remote working for all staff from Tuesday 24 March.

While our office in Deakin is closed, Capital Football will continue to operate and support the football community.

Our main contact number is (02) 6260 4000 and [staff](#) can still be contacted via their work phone numbers and e-mail addresses.

Football Federation Australia and Capital Football's statements and MEMOs regarding COVID-19 have been collated on the [Capital Football website](#) for ease of reference.
