

**RETURN TO PLAY IN A COVID-SAFE ENVIRONMENT PLAN  
CANBERRA UNITED ACADEMY**

# Introduction

Due to the impact of COVID-19, all football activities were suspended from 18 March 2020 until at least 31 May 2020. Since this suspension began, Capital Football staff have been planning and preparing for a return to football when it is safe, and the suspension is lifted.

Capital Football has a responsibility to protect not just the football community, but the broader community in the ACT and surrounding regions, and to assist in preventing any outbreaks of COVID-19 where possible. We as a football community, including players, coaches, match officials, staff, volunteers and parents/guardians, must play a role if we are to help slow the spread of COVID-19.

The resumption of football activities is subject to the provisions of each State/Territory government and/or Local Public Health Authorities. For sport in the ACT, it is the ACT Government. It is important to note that clubs are required to comply with the public health advice for the state/territory in which they reside.

**This plan sets out the conditions under which players, parents and coaches in the Canberra United Academy will re-engage with training, compliant with the conditions set out by the ACT Government.**

**This plan was endorsed on Thursday 21 May 2020, with training commencing from Monday 25 May 2020**

# Incident Management

## CovidSafe App

Capital Football supports the Australian Government's COVIDSafe app and we strongly encourage all members of the football community to download the app. For more information including where to download the app please click [here](#).

## Training Attendance

- In the event of a COVID-19 positive result within the football family, clubs may be required to support contact tracing efforts by ACT Health (including access to records related to training and groupings)
- To enable this, Capital Football staff will record attendance at training using Google Sheets that will include the players name, coach, training group, training time, allocated field and whether they needed to see the physio post training due to injury
- Protocols will apply related to quarantine/self isolation for the individual/s and those contacts considered at risk

## Infection Control Training

- Capital Football staff who have completed the [Australian Government Online Infection Control Training](#) will be present at each training session
