SECTION 1: GENERAL

1 APPLICATION OF THIS GUIDE

This guide has been prepared by Capital Football to serve as a reference to all Clubs regarding the Competition Management Processes that are in place for the 2021 season. All details within this guide will apply to all grades within the following Competitions, unless otherwise specified:

- ActewAGL Junior League (U12 – U18)

2 REGISTRATION REMINDER

All players, coaches and team / club officials are required to be registered on the Play Football Registration System (as previously communicated to all Clubs).

All persons must be made 'active' in the Play Football Registration System, in order to be eligible to play / coach / manage during the 2021 season.

3 SPORTS TG (STG) ACCESS

If you do not have STG access to your Club or team you will need to be granted access. Access is provided on an individual basis, not a generic Club login.

If you have not set up a STG Passport you will need to do so by going to the following link and registering for an account: <https://passport.sportstg.com/signup>

After you have set up your account you will receive an automatically generated email from STG asking you to confirm your email address by clicking on a link. After you have confirmed your email, please complete the access request form which can be located here: <https://form.jotform.com/203280446369862>

4 TEAM SHEETS & ONLINE RESULTS ENTRY PROCEDURES

It is the responsibility of the Away Club, or second listed club to make their player selection in STG by 2:00pm on the Friday prior to the weekend fixture or 2:00pm the day prior to a midweek match.

The Home Club, or first listed club, is required to enter their player selection in STG, and then print and provide the team sheets on match day.

After the conclusion of the match, the Home Club is responsible for entering the half time and full time results **within 90 minutes** of the completion of the final match of the day. ***Each Club is individually responsible for entering in the Player Match Statistics for their respective Club after the match.*** This includes the allocation of any Red Cards and Yellow Cards as well as entering any manual amendments to the team sheet (players added or removed from the team sheet, shirt number changes). How to do this is outlined further in Section 4 of this guide.

Results will automatically upload to the website at times set by Capital Football.

After you have completed your player selection, enter in the shirt numbers for each of the players, then click on the “Save” button below the players select list on the right.

SECTION 3: COMPLETION & SUBMISSION

1 TEAM SHEET COMPLETION & SUBMISSION

Prior to the match, a Team Official from each Club is required to double check the information displayed on the team sheet is correct, this includes:

- Putting a line through any player who is not participating in the match;
- Checking the shirt numbers are correct and adjusting any that may have changed;
- Should a player not be listed on the team sheet, that is now participating in the match, please clearly write their name, FFA number and shirt number on the team sheet.

They must also list down the name of the Club Vested Official/s for the match.

Please note: The team sheet is not to be signed prior to the match.

At the conclusion of the match (after the Referee has completed to the team sheet), a team official from both Clubs is required to sign the team sheet.

Please note: Signing the team sheet indicates that the information listed is correct. If you believe anything is incorrect, please query this with the Referee on the day. If you still believe the information is incorrect, do not sign the team sheet, and the appropriate Club Delegate is to submit a [Club Incident Report Form](#) by 5:00pm Monday following the weekend's Match, or 24 hours following a mid-week Match, outlining the issues.

The Home Club is required to email a copy of the team sheet to teamsheets@capitalfootball.com.au by 5:00pm on Monday following the weekend's Match, or 24 hours following a mid-week Match.

Please note: It is recommended that both Clubs take a photo of the team sheet on match day for their own records. It is also recommended that the Home Club then emails the photo of the team sheet at that point in time.

- Players added onto the team sheet;
- Players crossed off the team sheet;
- Changes to shirt numbers.

At the top, there are navigation tabs: 'Final Match Scores', 'Griffith FC Player Scores', 'Gungahlin United FC Player Scores', 'Tribunal Records', 'Awards', and 'Match Confirmation'. A green 'UPDATE MATCH SCORES' button is located in the top right corner. The main content is divided into two columns, one for Griffith FC and one for Gungahlin United FC. Each column has a 'Half Time Score' input field and a table for adding scorers. The tables have columns for 'Minutes', 'Inj. Time', 'Type', and 'Player', with an 'Add Scorer' button below each. Below the scorer tables are 'Full Time Score' input fields and another 'Add Scorer' button. At the bottom, there are two 'Own Goals' input fields, which are highlighted with a red border.

Please note: Clubs are not to enter any data into the “*Match Summary*” box at the bottom of the “*Final Match Scores*” page.

The screenshot shows a 'Match Summary' section with a label 'Match Summary:' and a large, empty text input area below it.

Please note: Data entered in the “*Final Match Scores*” section (with the exclusion of minutes), will be displayed on the website, so please ensure the data entered matches what is listed on the team sheet.

If an error is made, statistics can be removed from the Final Match Scores section by clicking on the “*Remove*” button.
