# Point to remind members

Ensure our club is regularly communicating with all members and stakeholders.

We will provide clear and coordinated guidance to participants and stakeholders across a range of communication channels on how your 'Return to Play' will be managed

We will ensure there is clear messaging across the clubs' digital platforms (i.e. websites and/or social media)

We will use every opportunity to remind and encourage participants to maintain good hygiene behaviors to reduce risk of transmission information about COVID-19 across both your digital channels and at appropriate spots around your club house or venue  
Advise players, coaches and others not to attend training or matches if unwell, if they have travelled overseas or if they have been exposed to a person with COVID-19 in the preceding 14 days or they are an 'at risk' individual due to age or medical condition.

# Technical area set up

In addition to clearly marked benches we will use chairs to ensure physical distancing as required
