Action Required	Circulate the advice contained in this Circular to all club personnel.
Summary	Confirms the clubs participating in the National Premier Leagues competitions for the 2026 season.

This circular confirms the participating clubs for the 2026 NPL season and reflects an updated Declaration of Leagues following the cessation of operations by Gungahlin United FC.

Following a full review of eligibility and licensing outcomes, the Capital Football Board has endorsed the participating clubs for the 2026 NPL season. This decision reflects compliance with the NPL Club Licensing Criteria and Capital Football Competition Regulations and incorporates the outcomes of the 2025 season, including any relevant promotion and relegation movements.

All clubs have now been granted NPL licences for their respective competitions (i.e., NPL Women's, Girls, Men's, and Boys). All clubs are required to maintain compliance with the Capital Football Club Licensing Criteria. Any club that fails to meet the ongoing licensing requirements will not retain its position.
